

# Spring/Summer 2015

Welcome to a joyously spring/summer, masterfully infused with beauty and the convergence of light and colour.

A season where freedom overturns rigid limits,

Where ideas triumph,

Fantasy prevails,

And delicacy and refinement reign supreme

Where volume is unfurled

And thrillingly juxtaposed silhouettes are created anew.

Bischoff, internationally known for its exclusive design and sophisticated fashion, has been a central player in the textile industry of St. Gallen in Eastern Switzerland since 1927. The Company has a long tradition in designing exquisite embroideries for day, evening and bridal wear.

Their latest collection was presented re Vision in Paris and has just arrived on our shores, ready for viewing. Contact us today to arrange a suitable time! We'd love to hear from you!
